That is to say Blaine & Co. consequently the righ to be a free this malicious and revengeful spirit, visitor to the centennial, but Virginia must vote \$10,000 and the high carnival of passion from which tolerated, and we would let the selfish centennial wait just as long as son could resume its sway.' its champions vote us out in the Harper's Weekly, which has

tion of church property, free trade, pose General Grant if renominated, protection, amnesty to Jefferson unequivocally answers Yes! Where-Davis, and the Cuban revolution, of the Times grows solemn, and the Baltimore Gazette tells the democratic leaders in Congress and the demogratic newspapers, are Mr. Curtis press the Times to a profitless questions far the ap- square definition of its position, a blind fury and hatred that he will live to proaching campaign, and must be says the Baltimore Gazette." abandoned if the party means to elect the next President. It adds: 'The keynote of the great campaign is the restoration of the government to honesty and economy, to retrenchment and referm.

The Washington correspondent of the Boston Herald has been studying the Presidential question, and comes to the conclusion that the nomination on the republican side now lies between Mr. Blaine and Senator Morton, with a very large possibility that Gov. Hayes may come in as a compromise candidate. Senator Conkling, he thinks, is only strong in 'the ability to derange the plans of those whom he deems his rivals.' The correspondent adds: 'The two men to whom the democratic nomination to-day is possible are Hendricks and Thurman.'

Wright who is made a Supreme tion. Whipper is another negro, is known as a notorious drunkard, the Lexington (Mo.) Caucassian, of the United States; and he will find before many months that there will be no more unpopular man in this country than himthief and gambler. The others are ten by the present editor of the self. white scallawags, and the less said Sentinel, and contained many about their fame, the better. The curious calculations in regard to the about their fame, the better. The election of such men is a stigma upon the party that enderses it. It s more than a civilized people are to end-how many times it would

THIS School offers superior advantages for

The education of Boys and Young Men.
To meet the demands of this practical age,
a New Curriculum has been arranged for 1876. The Departments are Agricultural, Practi al, Commercial, Scientific and Classic. The advances are: An elevated and perfectly healthy country (340 feet above the seaevel;) a moral and refined community; freedom from all temptation to vice; cheap board and tuition; a thorough general or special education, or preparation to enter the advanced classes of Trinity or Randolph Macon Colleges or the University of North Carolina or Virginia. Students may make choice of

the course of studies. Expenses per Session of 20 Weeks: Board, including washing, fuel & lights, \$60 00 oney." One-half the expenses payable in advance and the other half at the middle of the session. Students charged from date of entrance to end of session, and no deduction made except in cases of protracted sickness For further particulars, address

C. G. DAVENPORT, Principal, Jan. 7, 1876.-4t.
